FINANCIAL INSTRUMENTS

IAS 32, IFRS 13 & IFRS 9

In – Person Program In Riyadh – KSA

9th, 10th & 11th November 2025

9:00 AM to 6:00 PM (KSA Time, GMT+3)

Riyadh, KSA

PROGRAM OVERVIEW

Navigate the intricate complexities of IFRS-9, IAS 32, and IFRS 13, embracing the forward-looking approach that replaces the outdated "loss incurred" model. Master credit risk modeling, essential for IFRS-9 calculations, and confidently interpret and apply the new standards to any financial instrument. Gain hands-on experience through case studies and simulations, becoming self-sufficient in financial instrument accounting without relying on external experts. From presentation requirements under IAS 32 to fair value measurement with IFRS 13, this program equips you with the knowledge and skills to conquer the new accounting landscape.

OBJECTIVE OF THE PROGRAM

- Comprehend the principles of initial and subsequent measurement of financial assets and liabilities.
- Explain the scope and objectives of IFRS 9.
- Stay informed about recent updates and amendments to IFRS 9
- Analyze and apply IFRS 9 to real-world scenarios and case studies..
- Differentiate between financial assets and financial liabilities.

WHO SHOULD ATTEND?

- Heads of Finance,
- Management Accountants
- Financial Reporting Managers
- Credit Risk Analysts
- Internal Auditors
- Financial Analysts

METHODOLOGY

The program will be highly interactive, with opportunities to advance opinions and ideas. Participation is encouraged in a supportive environment. To ensure the concepts introduced during the program are understood, they will be reinforced through a mix of learning methods, including lecture style presentation, open discussion, case studies, exercises, and group work.

TRAINER PROFILE

Sana Quadri

IFRS Expert | Financial Storyteller | Process improvement Expert

A dynamic financial leader and digital transformation champion, Ms. Sana Quadri brings over 17 years of experience in finance, process optimization, and innovation. She has played a pivotal role in leading finance functions at renowned institutions, including Easypaisa Digital Bank, Lakson Investments, Next Capital, and HugoBank. Throughout her career, she's tackled diverse projects in the financial services industry, notably in the digital transformation of finance function, internal controls over financial reporting, bookkeeping structure for core banking, corporate governance, and IFRS implementation (16, 9, 15).

Leveraging her deep accounting and finance expertise, Ms. Sana has evolved into a sought-after trainer, empowering others through her knowledge of IFRSs, Financial Reporting & Analysis, and Financial Storytelling. Her "IFRS Practical Issues Series" program provides a platform for accountants to learn and collaborate on real-world challenges.

Ms Sana has delivered impactful training sessions across the Middle East, Africa, South Asia and Europe, tailoring content to regional needs while ensuring alignment with international standards.

Recognizing the ever-growing need for digital skills, Ms. Sana embraced her entrepreneurial spirit and founded Ed-Watch. This initiative prioritizes equipping individuals and organizations with the skills needed to thrive in the digital age. Her commitment extends beyond the corporate world. As a Chartered Accountant (PwC alumna), Ms. Sana champions inclusivity. She led the development of ICAP's "Women Inclusion Guidelines" and actively participates in committees like "Economic Advisory & Government Relations", "Committee on Fiscal Laws" and "Women's Committee." Her research on "Increasing the tax net in Pakistan" was published in "The Pakistan Accountant" under the title "Time to tackle taxation Jams."
